

End Zone Club Parent Involvement through Volunteering

Expectations:

In order to ensure the success of the football program, each Mullen football family is expected to volunteer. The emphasis is put on the freshman families, to help out with the Varsity and JV team activities and games. The JV families help out with freshmen and varsity team activities and games. The Varsity families help out with the freshman and JV activities and games. This helps to ensure that every family is able to watch their son during his game. 100% parent involvement is what is needed to make this happen!

From past experience we know these 3 things by volunteering:

- The best way to get to meet other parents and have the most fun is to get involved with activities together.
- As parents, there is no better way to demonstrate community service and the value of volunteering to our kids, than to volunteer ourselves.
- *Lifetime friends* are made through volunteering at Mullen.

We look forward to an exceptional year of community and friendship. WE ARE MULLEN!

End Zone Club Parent Involvement Opportunities

Volunteer Coordinator:

We are looking for an assistant to our Volunteer Coordinator, Lynn Freyta. You will shadow Lynn and learn the ropes of the EZC Volunteer Coordinator. By shadowing Lynn you will be ready to take over the position for next season and beyond. We would love to have a freshman or sophomore parent in this position for a couple years. Please contact [Lynn Freyta](#) if you are interested in filling this vital position in the End Zone Club.

Team Coordinators (Varsity, JV and Freshmen):

The key to a successful season is to have the Team Coordinators in place before the season starts.

The role of the Coordinators includes being a resource for the parents, support to the coaches, coordinate the pre/post game meals with parents who have volunteered, support fundraising efforts of the team, and reminding parents and players of key events.

The freshmen coordinator/s will partner with the freshmen liaison to become familiar with the program their first year. Your 2011 Freshman Parent Liaison is Jennifer Hernandez. If you are interested in being a Freshman Coordinator please contact [Jennifer Hernandez](#).

The JV and Varsity Coordinators will also carry the responsibility of partnering with the coaches in providing the parents and players information about college recruiting. There are checklists to complete that are essential to all junior players if they plan to play football in college.

Pre-Season Stadium Work Days:

Each year the football program organizes stadium clean-up days in the late summer to prepare the stadium, concession stands and media booth for the first home game. If you're interested in assisting with organization or rolling up your sleeves to help, let us know and bring your son, family and friends! Contact [Lynn Freyta](#) to sign up to help.

Community Service:

Our Community Service Coordinator, Stacey Edgar, has many community service projects for the team throughout the season. Examples are basket donations for Thanksgiving, Christmas, Mardi Gras and Easter. You may want to help to coordinate or attend our annual day of outreach with World Vision, where the players help pack boxes of various items for charity. Contact [Stacey Edgar](#) with any questions about our community service work or to help her out.

Did you know our football players log over 300 hours a year in community service hours?

Freshmen Post-Game Meals:

Post-game meals and drinks are provided at all home and away games during the season. If you are interested in coordinating a meal after the game please contact [Jennifer Hernandez](#), your Freshmen Liaison.

JV Post-Game Meals:

Post-game meals and drinks are provided at all home and away games during the season. JV Team Coordinator position is open at this time. If you are interested in helping out as JV Team Coordinator please contact our volunteer coordinator, [Lynn Freyta](#).

Varsity Pre-Game Meals:

All Varsity pre-game meals are planned before the season begins. All we need are a few volunteers to help serve the meals at 3pm game day. If you are interested please contact our volunteer coordinator, [Lynn Freyta](#).

Scoreboard Clock

The game clock is manned by volunteers for *home* freshmen and JV games. If you would like to help out at the games by running the scoreboard clock please contact the Game Day coordinators, [John and Sandy Cannon](#).

Chains:

If you are interested in having the "best seat in the house" and would like to work the chains, please contact our Game Day Coordinators, [John and Sandy Cannon](#).

Coaches' Cooler:

We'll need a family to stock the cooler with beverages and ice from the concession stand every home game to ensure the coaches have beverages for half-time without waiting in the concession stand line. Please contact our volunteer coordinator, [Lynn Freyta](#) if you would like to do this quick half-time duty.

Media Meals and Support:

Mullen usually hosts two to three televised home games during the regular season. We are looking for several parents interested in hosting our media and provide them with a great meal, beverages and 20 programs prior to the game. Please contact the EZC Game Day Coordinators, [John and Sandy Cannon](#) to sign up for this opportunity.

Photography

The Mustangs have a long tradition of amazing images that have captured the success of our players through photography. Please contact the EZC President, [Kevin Hernandez](#), if this is your talent or profession and you are interested in helping out here.

Program Production:

We would love a volunteer who is familiar with or willing to learn Adobe InDesign and Adobe Photoshop to take over the design of our program. You will be provided with the past 3 years of information used to produce the program to provide you a great starting point. The program is produced before the season starts to be ready for sale during our first home game. If you would like to volunteer for this opportunity please contact [Kevin Hernandez](#).

Program Sales:

Programs are sold prior to and through the first half of a home Varsity game. Contact [Lynn Freyta](#) if you would like to participate by selling programs. It's a great way to meet Mullen parents and contribute to a fundraising activity, too!

Mullen Wear Sales:

Selling Mullen wear at the home games is a great way to help others show their spirit and support the team. We have some great 3-Peat Mullen Championship football wear as well as fun Mullen Football wear to sell to our fans. To sign up contact our Mullen wear Coordinator, [Christine Harlow](#).

The End of the Season Awards Banquet:

This is a wonderful event that celebrates the efforts and successes of our young men at the end of the season. We ask that at least one representative from each level, freshman, JV and varsity sit on the board of the banquet committee with the understanding they will be a part of banquet planning for the years your son is with the team. Please contact [Lynn Freyta](#), our volunteer coordinator, if you have interest in being on the banquet planning board.

Activities partnered with the school:

These are special themed evenings at our home games. We often need help tying balloons around the stadium, collecting donations for our canned food drive, passing out treats, and some before game preparations. If you would like to help out at any one of these themed games please sign up with [Lynn Freyta](#), our Volunteer Coordinator.
